Director, Internal Accounts

SUBJECT: **On-line Payments**

The Internal Accounts office has found faster and more efficient ways to accept payments from its customers. Your child's school is now piloting the acceptance of on-line payments for school sponsored activities!!!

Parents, you can now pay for a variety of activities on-line. To take advantage of this unique opportunity, please follow these instructions and *have your child's student I.D. number available before you begin*:

- 1) Access your child's school website at <http://www.westernhigh.org/>
- 2) Click the online payment link on the schools website
- 3) At the District's E-store, select your school's level (Elementary, Middle, High)
- 4) Select your child's school
- 5) Select the activity that you want to pay on-line (If the activity(s) do not appear here, payments must be made at the school)
- 6) Follow the E-store screen prompts
- 7) Your child receives credit for activity payment

**Parents can also access the e-store website directly at [estore.browardschools.com](http://estore.browardschools.com)**

The Broward District has become more innovative and, we appreciate feedback received from parents and students enrolled in our programs. You will find this initiative safe, simple, and convenient.

If you have questions or comments in reference to on-line payments, please call Nell Johnson in the Internal Accounts Office at (754) 321-0589.
